PURE CLASS

SWIFT BESSACARR

The classic Bessacarr has been completely redesigned to simply stunning effect. With new Black metallic cab and complementary Black Edition graphics, distinctive streamlined low profile and lavish interior, this true icon of luxury and high performance has been elevated to an even higher standard.

All models are built with the sector leading SMART construction incorporating balanced panel GRP side walls and timber-less framing. New pull out pannier locker adds useful exterior storage.

There is an expanded choice of fifteen layouts, five with parallel front lounge, and four new layouts for 2018, including two with mid-transverse washroom and rear fixed bed.

The attention to detail of the stunning interior is impressive with the skyview panoramic sunroof bathing the interior with light. Oyster Grey curved upper locker doors with gloss 'Aralie Sen' inlay and new 'Silverado' soft furnishings with soft fabric wrapped edged furniture exude luxury, whilst Alde heating ensures your Bessacarr is a motorhome for all seasons.

The toning fabrics enhance the new sculptured seat cushions which provide improved comfort and durability. There is also a SwiftShield and full leather option.

A relaxed night-time is assured with all fixed beds, including drop down beds, fitted with the exclusive and more durable Duvalay Duvalite mattress, containing lightweight memory fibre technology. Energy efficient LEDs, dimmable spotlights and luxury full width curtains create the perfect ambience.

The already well-equipped kitchen with the exclusive Dometic CU600 oven, now comes with innovative self-repairing Fenix NTM® worktops. Most models also have a spacious, tall, slimline Dometic fridge.

Bringing modern technology with an 'app' interface, the enhanced Swift Command system makes it even easier to remotely monitor and control onboard functions like heating and lighting. The system incorporates the option to subscribe to a pre-installed Thatcham Category 6 approved pro-active tracker, to better protect your precious possessions.

Further refinements include bronze dash trim, steering wheel controls, alloy wheels, chrome entrance doorway handle and a new vanity cupboard in the washroom along with radiator and mirror lighting. The luxurious standard features are continued outside with a reversing camera for easier manoeuvring and a roll-out awning.

Powered by the Fiat Euro 6 2.3 litre, 130bhp turbo diesel engine, all models have a 6 speed manual gearbox with an automatic option. Cab air-conditioning, cruise control and a Status 570 TV aerial are available with the keenly priced Lux Pack.

	1.90m x 1.26m / 6'3" x 4'2"		1.90m x 1.26m / 6'3" x 4'2"	

Notes

- The Maximum User Payload includes:
 - the conventional load (this is the allowance for passengers)
 - essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)
 - optional equipment (items available from the manufacturer over and above the standard specification)
 - personal effects (those items not covered by the above)
- The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank capacity and 1 x 6kg Calor Lite LPG cylinder.
The MRO is calculated with the fresh water tank empty. If you travel with water in the fresh water tank then the payload will reduce accordingly.
- Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motor caravan, e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.
- Warning - under no circumstances should the maximum technical permissible laden mass of this motor caravan be exceeded.

* Estimated

** For optional roof ladder add 125mm to length and 40mm to height.

Please note that the additional weight of the tow bar and trailer nose weight increases the rear axle loading of the motor home so care should be taken that the rear axle load is not exceeded when towing. To ensure adequate road holding, the load on the front axle, under all conditions, must not be less than 40% or more than 70% of the total weight. Care must be taken when distributing loads. The loadings and weights above are maximums and must not be exceeded under any circumstances.

† With this vehicle configuration it will be necessary to reduce the payload carried inside the van when towing to ensure that the MTPLM and maximum axle loads are not exceeded.

‡ The maximum trailer weight is limited by the gross train weight which must not be exceeded. For example if the vehicle is at the maximum MTPLM of 3850kg, then the maximum trailer weight possible is 1650kg. Reducing the weight of the vehicle by removing payload, will allow you to increase the trailer weight up to a maximum of 2000kg.

Notes

- The Maximum User Payload includes:
 - the conventional load (this is the allowance for passengers)
 - essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)
 - optional equipment (items available from the manufacturer over and above the standard specification)
 - personal effects (those items not covered by the above)
- The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank capacity and 1 x 6kg Calor Lite LPG cylinder.
The MRO is calculated with the fresh water tank empty. If you travel with water in the fresh water tank then the payload will reduce accordingly.
- Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motor caravan, e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.
- Warning - under no circumstances should the maximum technical permissible laden mass of this motor caravan be exceeded.

* Estimated

** For optional roof ladder add 125mm to length and 40mm to height.

Please note that the additional weight of the tow bar and trailer nose weight increases the rear axle loading of the motor home so care should be taken that the rear axle load is not exceeded when towing. To ensure adequate road holding, the load on the front axle, under all conditions, must not be less than 40% or more than 70% of the total weight. Care must be taken when distributing loads. The loadings and weights above are maximums and must not be exceeded under any circumstances.

† With this vehicle configuration it will be necessary to reduce the payload carried inside the van when towing to ensure that the MTPLM and maximum axle loads are not exceeded.

‡ The maximum trailer weight is limited by the gross train weight which must not be exceeded. For example if the vehicle is at the maximum MTPLM of 3850kg, then the maximum trailer weight possible is 1650kg. Reducing the weight of the vehicle by removing payload, will allow you to increase the trailer weight up to a maximum of 2000kg.

BESSACARR FEATURES

Base Specification:

Fiat Chassis Van

- New Black metallic cab and Black Edition graphics
- Front bumper finished in body colour
- LED daytime running lights
- Fiat Euro 6 130bhp, 2.3 litre engine
- Dashboard design with fully integrated factory-fit DAB Radio/MP3 player with Bluetooth, switch-off timing adjustable up to 3 hours and wing mirror antenna for better reception
- Bronze dashboard trims
- Cab battery isolation switch to prevent discharge in storage
- New steering wheel controls including volume control and phone compatibility
- Driver and passenger airbags
- Concertina windscreen blind and side window blinds
- Cab carpet (removable)
- Captains chairs with twin armrests and integrated headrest
- Driver and passenger seats with:
 - Swivels (except 562 & 596)
 - Position, height and rake adjustment (no height adjustment on passenger seat in 562 & 596)
 - 20 armrests
 - Fully upholstered covers
 - Seat base surrounds

- ABS brakes
- EBD (electronic brake force distribution)
- Immobiliser with rolling code
- Variable power steering
- Key fob operated remote central locking of cab doors and entrance door
- Electrically operated and tinted cab windows
- Electrically adjusted and heated wing mirrors fitted with direction indicators
- Headlamp height adjustment
- Adjustable steering wheel position
- LED swan neck reading lights
- Central cup holder with slot for full width tablet and wall pocket for smart phone with USB port for charging
- 12V socket and USB sockets
- Dash mounted tablet holder

Body and Exterior Equipment

- European Whole Vehicle Type Approval ensures compliance with strict weight, dimensions and safety regulations
- Distinctive streamlined low profile
- SMART construction
 - Strong, moisture proof 'PURE' Polyurethane timberless framed body shell with HD polystyrene insulation core
 - Balanced panel 31mm sandwich side walls with GRP outer and inner skin
 - 'Sandwich' floor construction with GRP outer skin, ply upper and high rigidity Styrofoam core (70mm in 512, 524, 542, 560, 562; 44mm in 574, 584, 596, 597, 599)
 - 31mm 'sandwich' construction hail resistant exterior GRP roof, fully bonded for extra strength and flatness, and GRP inner skin
 - Full height GRP rear panel
- Three integrated models with curved roof line
 - 32mm 'sandwich' front roof with HD polystyrene insulation core, interior polypropylene honeycomb board and GRP exterior (integrated models only)
- Twelve low-line models with a sleek low-line profile housing smart moulded fascia for the sunroof with side pockets
- Large panoramic opening skyview sunroof (motorised in integrated models - 524, 562 & 596)

- AL-KO low line AMC long wheel base chassis (574, 584, 596, 597, 599)
- Dynamic graphics scheme coordinated with cab
- White extruded skirts link with full GRP rear panel
- New pull out under-floor pannier locker for water hose and electric cable reels
- New large service doors on 596, 597, 599
- Exterior access doors for easier storage under seats/bed (512, 524, 542, 560, 562, 574, 584)
- Large exterior 'ski locker' access door (524)
- Seitz high specification entrance door with secure 2-point locking, window, integral flyscreen, door retainer, bin and stepwell light
- Single key for all habitation doors
- Seitz flush fitting, double glazed, tinted acrylic windows with night latch ventilation
- New stylish 16" alloy wheels
- Styled front marker lights
- LED side marker lights
- Exclusive LED rear light clusters
- Low energy LED exterior awning light
- Reversing camera*
- High-level brake light
- Provision for 2 x 13kg gas bottles (2 x 7kg in 524) with fitted butane/propane regulator and propane hose
- Spare wheel (Fix & Go kit on 596)
- Recessed full length roll out Thule 4900 awning
- Heavy duty rear chassis members ready for optional towbar
- Bike rack fixing rails fitted to the rear

Living Area

- New 'Silverado' soft furnishing scheme
- Scatter cushions
- Upholstered map/wall pocket
- 'Aralie Sen' woodgrain with contemporary colouring
- Oyster Grey curved upper locker doors with gloss 'Aralie Sen' accents
- Soft fabric wrapped edged furniture moulds for seating
- New shoe locker (560, 574, 584, 597, 599)
- Chrome handles with push-button locks on overhead locker doors

- Swift Group spaceframe locker construction
- Ergonomically shaped rear travelling seats in 524, 560, 574, 584, 596, 597, 599 with safety frame supports
- New sculpted seat cushions for improved comfort and durability
- Lap and diagonal seat belts on all designated passenger seats
- Exclusive 'Duvalay Duvalite' fixed bed mattress with lightweight memory fibre technology - hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable
- Bed mattresses and lounge bench seat cushions supported by beech slats for extra comfort
- New multi-height adjustable manual drop down beds with low drop level to seats (524, 596)
- Locker storage under drop down bed on 524 & 596
- Wardrobe lighting
- Lounge seat and bed tops with gas spring hinge supports for easy access
- Seat backrest ventilation boards
- Dedicated storage locations for all tables
- Travel lock for TV brackets where fitted
- Black branded speakers
- Pleated cassette blinds with flyscreens on all windows
- Concertina action door flyscreen
- New chrome entrance doorway grab-handle with LED lights (not lit on 524, 562 & 596)
- Midi-Heki skylight with flynet and adjustable blind (except 512, 524, 542 & 560)
- 400x400 clear roof light with pleated flyscreen and blind
- Sectioned removable carpets for flexibility

- 'French Oak' effect, high impact, scratch resistant floor lino
- Removable stepwell mat
- Smoke alarm
- Carbon monoxide alarm

Kitchen

- Dometic 8-Series, 96 or 112 litre automatic energy selection fridge with removable freezer compartment (512, 542 & 562)
- New large Dometic slimline fridge, 138 litre (524, 560, 574, 584, 596, 597 & 599)
- Exclusive Dometic CU600 oven, designed for motorhome use with separate grill and dual fuel hob with 800W electric hot plate, electronic ignition and flame failure protection
- Built-in microwave oven with digital controls
- Omnivent, three speed, two way roof fan (except 524)
- New innovative Fenix NTM® kitchen worktops (resistant to scratches, enhanced anti-bacterial properties and easy to clean)
- Fold down worktop extension flap on 524, 562 & 596
- Stainless steel kitchen sink
- Removable drainer and food grade nylon chopping board nestle together for easy storage in dedicated location
- Vector chrome effect kitchen mixer tap
- Acrylic splashback with LED lighting

Washroom

- Fully lined separate shower cubicle
- Eccamel Orbit shower head with on/off button for a powerful shower that uses less water
- New style 32mm thick entrance door with decorative inlay, domestic style mortice lock and handle
- Two way locking door in 597 & 599 for added privacy
- New vanity cupboard with built-in washbasin and white paneling
- Vector chrome effect vanity mixer tap
- Bathroom mirror with lighting
- Overhead storage locker
- Thetford C260 cassette toilet with electric flush and 18 litre wheeled tank
- New towel radiator (574 & 584), shower room radiator in all other models
- New Micro-Heki skylight with flyscreen
- Mini LED down lights

Heating and Plumbing

- Grade 3 classification (EN 1646-1) for heating and thermal insulation (for sub-zero ambient temperatures)
- Alde dual fuel radiator central heating and water heating with daily programming, LCD control panel with 1kW, 2kW or 3kW settings
- Alde circulation pump with 5 speed settings
- Truma 'Crash sensing Mono' regulator for en-route use of heating and water heating
- 90 litre underfloor insulated fresh water tank with level sensor (94 litre in 562)
- 68 litre waste water tank with level sensor (60 litre in 562)
- Winter Pack fitted as standard with fresh and waste water tank heaters, waste pipe insulation and fridge vent covers
- New en-route heating for underfloor water tanks to keep defrosted
- Pressurised fresh water system with self-priming pump and accumulator
- 12V exterior power point for pump filling of water tank (pump not supplied)

Electrical

- Enhanced Swift Command control system with updated 'user friendly' app interface:
 - Pre-installed Thatcham Category 6 approved pro-active tracker (subject to annual subscription).

- Swift Command Intelligent power supply unit with LCD control panel; Functions include, battery selection, battery state meter, lighting and water pump circuit controls, internal & external temperature, internal humidity levels, 230V load limiter (settable between 5 amps & 16 amps), solar panel charging levels, heating controls and Bluetooth connection

- New fridge control and monitoring.
- New Dometic Freshjet aircon control (dealer fit option)
- Swift Command app allows certain functions to be controlled/monitored remotely and comes with;
 - Remote levels viewing
 - Remote control of power, lighting and heating
 - Enhanced remote heating controls with New heater status bar
- New 'Places of Interest' feature including 'Campsites' from the Camping & Caravanning Club
- New fully sealed, long life, 100 Amp-hour leisure battery under rear seating
- Minimum of 4 x 230V chrome sockets
- Mains 230V supply via easy-access consumer unit to sockets, fridge, microwave oven, heater, water heater and battery charger/transformer
- TV station with flatscreen bracket 230V, 12V supply and co-ax link to outside connector
- 25 Amp/300W charger/transformer for leisure batteries
- Enhanced ultra-low energy lighting system:
 - Dimmable LED spotlights
 - Over-locker and New under-locker LED ambient lighting
 - Low-level night lights (operable when travelling)
 - Illuminated grab handles in entrance (model specific)
 - Adjustable LED cab reading lights
- 100W solar panel (40W on 424)
- Power supply for satellite dish installation
- 25 metre mains hook-up cable

Customer Service

- Exclusive online Connect Direct account with direct access to Swift

Options:

Factory Fit

- Fiat Comfort-Matic automatic gearbox with Euro 6 130bhp, 2.3 litre engine now with ESP (only available in conjunction with Lux Pack)
- Upgrade to Fiat Euro 6 150bhp, 2.3 litre engine on 574, 584, 596, 597 & 599 (only available in conjunction with Lux Pack)
- Fiat Comfort-Matic automatic gearbox with Euro 6 110bhp, 2.3 litre engine now with ESP on 574, 584, 596, 597 & 599 (only available in conjunction with Lux Pack)
- Special value Lux Pack with:
 - Cab air-conditioning
 - Cruise control
 - Status 570 TV aerial
 - SwiftShield® stain resistant, easy-clean fabric
 - New 'Veile' full leather soft furnishing scheme
 - Roof rack and ladder
 - Detachable homologated tow bar and electrics
 - Lounge layout options available for 560, 574, 584, 597 & 599
 - 3650kg MTPLM upgrade (512, 524, 542, 560, 560 Lounge & 562 models only)
 - 3850kg MTPLM upgrade (574 Lounge, 584 Lounge, 597 Lounge & 599 Lounge models only)

Dealer fit options

- Annual subscription to Swift Command Tracker by Sargent
- Dometic Freshjet air conditioning unit
- Thule Elite G2 two cycle rack*
- Oyster satellite system (model dependent)

*Dependent on model, visibility through optional rear camera may be reduced when bicycles are carried on the optional bike carrier

BESSACARR FABRIC OPTIONS

In addition to the standard fabric, a full leather or SwiftShield scheme is available as an optional extra.

'Silverado' upholstery scheme
Bessacarr standard fabric

'Vele' Full Leather upholstery scheme
Optional fabric

SwiftShield upholstery scheme
Optional fabric

SWIFT
SHIELD

SwiftShield fabric has a soft suede type feel and has been treated during manufacturing to resist stains. It is very easy to clean and just requires a soft cloth dampened with water to remove most stains. SwiftShield is exclusive to Swift Group, you can find out more on Swift TV.

www.swifttv.co.uk

VALUE ADDED PARTNERS

Swift is delighted to have secured exclusivity to fit the Duvalite mattress as standard in all fixed bed models across all motorhome ranges. This innovative lightweight Memory Fibre Mattress is as comfortable as memory foam but has many other benefits. Constantly innovating Duvalay ensure our customers have the premium night's sleep they need and deserve.

Way back in 1994 Swift chose Alde heating systems to help make their motorhomes feel more like home. Proudly made in Sweden since 1949, Alde delivers the quietest, most comfortable motorhome heating for the great explorers of the world, and keep on innovating to this day. Swift motorhomes are tested down to minus 15 degrees to ensure you stay cosy no matter where your journey takes you.

Swift recommend Oyster satellite TV and broadband. Permanently mounted dishes fold away neatly when travelling then raise and locate the satellite signal automatically seconds after activation. Made in Germany, they come with a 3 year warranty and there is a dedicated UK service centre.

Diamondbrite LEISURE

Swift are partnering with Diamondbrite Leisure - the ultimate in Paint & Upholstery Protection for your motorhome. The exterior nano-ceramic treatment forms a high-gloss coating for easier cleaning and never needs polishing, while the upholstery protection resists staining. It is professionally applied at your dealership and comes with a lifetime guarantee plus complimentary aftercare pack.

CHOSEN CHARITY

Swift Group are proud to support a charity local to them called the Daisy Appeal. The Daisy appeal is giving loved ones faster, more accurate, diagnosis of three of the region's biggest killers – cancer, heart disease, and dementia.

The Charity's aim is to provide a world-class PET-CT scanning facility which will provide a comprehensive clinical service alongside an ambitious clinical research programme exploring new applications of imaging techniques.

Currently in the UK, most PET-CT scanning is carried out on cancer patients. However, it has great potential in various heart, neurological and other diseases. Many of these will necessitate the use of short half-life radioactive 'markers' which will need to be manufactured on site. Hence the requirement of a purpose built cyclotron, radiochemistry and radiopharmacy facility.

For every caravan, motorhome and holiday home sold, Swift Group make a donation to the Daisy Appeal, helping them to reach their goal of becoming the UK's number one PET-CT service.

To find out more visit www.daisyappeal.org

PURE ASSURANCE

The difference is Swift

Your head says you need a motorhome that's durable, functional, comfortable, safe and secure. Your heart wants great design and a great choice. With Swift you can have the best of both worlds with the backing of a company established over 50 years.

DURABILITY

- Unique SMART construction system
- Rigorous safety testing at Millbrook and cold chamber testing down to minus 15°C and beyond puts prototypes through conditions most products will never have to experience in a lifetime. This is all part of the Swift ethos to deliver the best product possible to you
- Balanced panel side walls with GRP outer and inner skins. GRP is more impact resistant than aluminium and can be easily repaired, ensuring long lasting good looks and securing your investment for the future
- Assured build construction with a manufacturer backed, free 10 year bodyshell warranty as standard on all coachbuilt motorhomes

SWIFT
SMART

SUBJECT TO T&C'S

FUNCTIONALITY

- Significant advancements in design and storage that optimise your living and sleeping space giving greater comfort
- A host of money saving developments including improved fuel efficiency and use of low energy lighting
- Alde heating
- Swift Command system, developed with Sargent Electrical, on all models
- Use of Computational Fluid Dynamics to help shape the bodyshell for better fuel consumption and safer towing

SWIFT
COMMAND

DEVELOPED WITH SARGENT

COMFORT

- Grade 3 classification of thermal insulation for all year round comfort
- Sprung beech slats for comfortable seating and sleeping
- Regency 100% bleach cleanable carpets designed to repel everyday spills, stains and dirt
- Exclusive Duvalay Duvalite mattresses on fixed beds with memory fibre technology

SAFETY AND SECURITY

- All Swift Group products are certified by the National Caravan Council to ensure they are both legal and safe
- All Swift motorhomes have European Whole Vehicle Type Approval to ensure compliance with strict weight, dimension and safety requirements
- Security includes a pre-installed Thatcham Category 6 approved pro-active tracker as part of the Swift Command system (subject to annual subscription)

PURE STRENGTH

SMART is the basis of our intelligent construction system that is used across our entire coachbuilt motorhome range

As the UK's leading leisure vehicle manufacturer, the Swift Group undertakes one of the most extensive research and testing programmes in the industry and we are constantly looking at new and better ways to construct our products.

SMART is based on proven technology which provides a Strong timberless body frame with Modern desirable looks and a leading Aerodynamic shape that is highly Resilient to moisture, all wrapped up in a motorhome that has undergone the most comprehensive Testing.

Balanced panel side walls with GRP outer and inner skins, a hail resistant GRP roof and GRP outer skin to the sandwich floor, creates a full GRP outer bodyshell making it even more resilient.

Carefully developed, SMART construction was only introduced once we were satisfied that it was truly fit for purpose.

Computer numerically controlled (CNC) cutting is used in the manufacturing process to provide accuracy and consistency time after time, to produce a high quality engineered product designed to give you a lifetime of smiles.

STRONG

The Strong timberless body frame uses 'PURE', a tough, hard polyurethane based product, that is totally impervious to water and has been proven through use.

MODERN

The SMART construction system uses Modern materials and has been developed to ensure the exterior profiles maintain the Modern desirable looks our motorhomes are renowned for.

AERODYNAMIC

We continue to lead the way in Aerodynamics using Computational Fluid Dynamics to help shape the bodyshell for better fuel consumption.

RESILIENT WITH GRP SIDE WALLS

Balanced panel side walls with GRP outer and inner skins. GRP is more impact resistant than aluminium and can be easily repaired, ensuring long lasting good looks, securing your investment for the future.

TESTED

Extensive safety and durability Testing at the Millbrook track, and cold chamber Testing down to minus 15°C and beyond puts prototypes through conditions most products will never have to experience in a lifetime; all part of the Swift ethos to deliver the best products to you.

FLOOR CONSTRUCTION

'Sandwich' floor construction with ply upper, high rigidity Styrofoam core and GRP outer skin to provide greater durability from the elements.

PURE CONTROL

Swift Command is a real innovation designed to make your touring experience even more carefree.

The perfect tool for touring, Swift Command technology includes a smart LCD control panel that has enhanced functions.

There is also an exciting, free downloadable 'app' that links to the Swift Command unit, so you can be in control wherever you are with the convenience of your mobile device.

Access the clever onboard interface when nearby with Bluetooth or via your internet connection when remote.

Track system levels like power, temperature, humidity and monitor the location of your vehicle.

Custom notification settings keep you informed of functions such as battery levels, frost alerts and alarm status.

For even greater peace of mind you can subscribe to the pre-installed Thatcham Category 6 approved pro-active tracker to add extra security to your vehicle.

Swift Command Tracker by Sargent is monitored by an approved monitoring centre which operates 24 hours a day 7 days a week and provides European coverage and direct police liaison. This system is ready for use, all you need to do is purchase a tracking subscription by visiting www.swiftcommand.co.uk or calling Sargent on 01482 881655.

Head to the Apple or Android store and search for 'Swift Command'.

LIGHTING

Create just the right ambience onboard with easily adjustable lighting settings.

LOCATION AND REMOTE FEATURES

Connect to your leisure vehicle from anywhere to view its systems information and location.

Conveniently control and monitor your onboard services when away from your vehicle.

WATER

Keep an eye on your precious water levels so you know in good time when to top-up.

POWER

Track your energy use and manage your batteries for efficient use of your all important power services.

HEATING

Activate whilst out exploring and enjoy the warmth when you get back.

PURE SERVICE

Connect Direct is an online system which personalises each customer's experience of owning their motorhome

Once you have logged on and created your profile, you will be able to access a whole host of information, specific to your motorhome. In addition you will be able to have a direct line into the retail team, with the launch of a live chat facility.

Should a problem occur, you will be able to report a fault to us directly, enabling us to react

quickly and work together with your dealer to take the problem away from you the owner and resolve the issue as quickly as possible.

Product upgrades and notifications will be sent via Connect Direct keeping you up to date over the coming years. This online system provides a direct route for you into the Swift

Group, and enables us to provide you with proactive Customer Service support, enhancing your experience.

Connect Direct is in addition to the traditional methods of contacting us.

PURE SWIFT

Swift Group's design team is widely recognised as the most innovative and creative within our industry, often leading the future design of leisure vehicles.

DESIGNED AND ENGINEERED

With a wide range of backgrounds including the automotive and interior design sector, our degree qualified engineers and designers draw from a wide range of influences to style our future products. They have the use of computer aided design and 3D rendering to create and analyse ideas before a prototype is even built.

The latest 3D CAD software uses data to drive the CNC machines in the factory to create highly accurate toolings for construction.

AERODYNAMICS

Swift Group work with a leading company, who are also consultants to the Formula 1 industry, to use Computational Fluid Dynamics (CFD) to study the aerodynamics of their product design. A full 3D simulation study shows the airflow and drag and can be used to help shape the bodyshells for better fuel efficiency and towing dynamics.

RIGOROUS TESTING

Everything is designed using sophisticated software and data gathered from physical testing at the Millbrook proving ground and cold chamber testing down to minus 15°C and beyond. Swift are able to simulate how components, fixtures and fastenings will react under certain conditions allowing build optimisation. This results in well engineered robust and durable products.

EXCLUSIVES

Swift work closely to build partnerships with their suppliers to bring exclusive features to their products. These include the following features on top of our innovations:

- Ultra comfortable Duvalay mattress on all fixed beds
- Clever stain resisting SwiftShield fabric

THE SWIFT EXPERIENCE

COUNTRY • COAST • FREEDOM

THE SWIFT EXPERIENCE IS A CULMINATION OF OVER 50 YEARS EXPERIENCE MAKING LEISURE VEHICLES FOR YOU TO ENJOY THE GREAT OUTDOORS. OUR AIM IS TO MAKE YOUR HOLIDAY AS COMFORTABLE AND RELAXING AS POSSIBLE SO THAT YOU RETURN WITH A BIG SMILE ON YOUR FACE.

YOU CAN FOLLOW THE LIVES OF FAMILIES WITH A PASSION FOR ENJOYING THE FREEDOM THE SWIFT LIFESTYLE CAN OFFER AT:

NOT YOUR AVERAGE TRIP TO THE COUNTRY

Wake up to the sounds of nature, feel the morning dew on your feet, hold a cup of tea in your hand as you experience the sunrise over the hills and the sunlight streaming through the trees.

CREATING
SMILES FOR
LIFE

- BUILT IN BRITAIN -

Morning breakfast made from the fresh local produce of the farm shop down the road, a bacon sandwich has never tasted so good. The days are full of possibilities; walking in bright green fields with sheep and cows, birds soaring high on the thermals and not a care in life, just anticipation of what is round the corner. Kids can be kids, running and playing, swimming in lakes, skimming stones, riding bikes, climbing trees and paddling canoes.

It's all about remembering the smiles on everyone's faces.

Live it. Experience it. Breathe it.

Adventure is allowing the unexpected to happen to you. Exploration is experiencing what you have not experienced before. How can there be any adventure, any exploration, if you let someone else - above all, a travel bureau - arrange everything before-hand?
Richard Adlington, Death of a Hero.

THERE IS NO PLACE LIKE THE COAST

CREATING
SMILES FOR
LIFE
- BUILT IN BRITAIN -

S Seagulls soaring, the sound of the waves lapping at the shore, sand between your toes and the fresh sea air, it's the simple things in life that bring the most joy.

Bucket and spade in hand, building sand castles, collecting shells and soaking up the sun on the beach with an ice cream or candy floss; it's what the seaside is all about.

With coastal parks a stone's throw away from seaside adventures you can enjoy a prime holiday location with all the comforts of home. Imagine the kids playing happily with new friends while you relax nearby and even the dog can come too.

As the end of the day draws to a close, you get to relax in the comfort of your own motorhome, head refreshed from the days activities and ready for tomorrow's adventure.

With a Swift Motorhome you have the freedom to roam at your pace, in comfort and style. You can be spontaneous or carefully plan your break away to create precious memories and tales to treasure for a lifetime.

The ocean stirs the heart, inspires the imagination and brings eternal joy to the soul.

Wyland
