01 | Venus 570/4 – with transverse island bed and end washroom.

02 | New 'Brushed Oak' locker doors and 'Talavera' laminate worktop.

03 | New 'Aldira' soft furnishings and satin finish handles.

04 | New decals and LED awning light.

01 | Venus 550/4 – with fixed single beds and end washroom.

02 | Venus 590/6 – with fixed double bunks and rear dinette that converts to sleeping for 2.

03 | Venus 620/6 – a double axle layout with a fixed rear bed, great for growing families.

04 | End washroom with fully lined shower (model specific).

05 | 'Easy Action' slide-out bed bases.

06 | Top mounted bowl with swivel tap.

The range consists of 4 single axle models and a twin axle model, each designed to make the best possible use of space.

With a modern streamlined exterior and a large panoramic one piece window, the dazzling new decals and handy new awning light add the perfect final touches.

Step inside and you will want to get cosy in the new 'Aldira' soft furnishings which are complemented by the new locker doors in 'Brushed Oak' and new satin handles. The comfy front seats convert quickly to a bed in seconds thanks to the 'Easy Action' slide out bed bases. Plus for ample storage there are full length drop down bed flaps.

Enjoy cooking in the kitchen area styled with new kitchen locker doors in 'Brushed Oak' and a new co-ordinating laminate in 'Talavera'. Our models also feature a circular sink, a combination oven/grill plus a three burner gas hob.

Within each washroom there is a top mounted bowl with pop-up waste and a swivel tap. Plus there is a fully lined large domestic shower (model specific).

To keep you warm all year round there is a Truma Combi boiler with a blown air system providing both central heating and hot water. This system also features an iNet ready Truma control panel.

Warranty

Venus Caravans are supplied with:

- A 6 year body shell integrity warranty
- A 3 year manufacturer's backed warranty (specific exclusions apply).

(Subject to an annual service and inspection and excluding items subject to normal wear and tear).

Each Venus model has been certified by the NATIONAL CARAVAN COUNCIL for compliance with stringent European Standards, British Standards and the industry set Codes of Practice that specifically relate to health and safety issues.

The approvals process covers the testing and inspection of all critical areas of the product from fire safety, weights and dimensions through to gas, electrics and ventilation.

Every caravan carries the NCC Approved Caravan badge that gives you the peace of mind in the knowledge that your caravan is both fully legal and safe.

Caravan Payloads: The method of calculating the MRO and payload figures has been changed. Allowances for essential equipment previously accounted for in the user payload are now either within the MRO (e.g. gas cylinders) or the personal effects payload allowance (e.g. leisure battery).
