## 304

4 Berth  
Single Axle

Diminutive in size, the Xplore 304 still boasts plentiful specification and storage thanks to its innovative underslung heating.

Equally as popular as a 2 or 4 berth, the neat little 304 is a consistent best-seller!

## 422

2 Berth  
Single Axle

A deceptively spacious 2 berth model. Lightweight and easy to tow, yet tardis-like inside!

The roomy lounge converts into a large double bed, with a fully equipped side-bathroom and a beautifully lit kitchen and dresser spanning the rear of this nifty model.

## 554

4 Berth  
Single Axle

Our most popular layout, in its lightest form – the Xplore 554.

The Xplore 554 benefits from a large and comfy retractable transverse island bed, with a well-equipped bathroom spanning the full width at the rear. The bright airy lounge has bags of appeal, it too providing a double bed at night.

## 586

6 Berth  
Single Axle

Our family 6 berth with bunk beds, side dinette and large front lounge, kitchen diner, plus family-sized bathroom.

You'll be amazed that this 6 berth caravan weighs so very little!
